

SAFETY GUIDELINES

For the safety of yourselves and others, please read and follow these guidelines outlined below:

1

PRACTICE PHYSICAL DISTANCING

Make every effort to maintain 6ft. distancing, especially as you come forward for Communion. Minimize interactions and conversations inside the Sanctuary and Narthex. Fellowship is welcome under the tent with 6' distancing outside.

2

WEAR MASKS & WASH YOUR HANDS

Masks must be worn by all, except those on camera. Limited masks are on hand. Ask an usher if you forgot yours. Visit the hand sanitizer station or wash your hands with soap and water in the restrooms. Doors are propped open to avoid frequently touched services.

3

HUM ALONG TO YOUR FAVORITE SONG

Sadly we ask you to not sing. Recent studies have shown that singing is particularly dangerous for the spread of aerosolized particles.

4

PEWS ROPED OFF FOR SAFETY

Ushers are available to assist you in finding seats. We kindly ask you to not sit in rows that are roped off. This will help us ensure families are adequately spaced.

5

EVERYTHING IS ON THE SCREENS

Everything you need to follow along in today's service will be shown on the screens so as to not use pew Bibles or prayer books.

6

DISMISSAL & OFFERING INSTRUCTIONS

Dismissal will be done by rows, starting in the rear. Offering baskets are located on your way in or out.
