**PROCLAIMING JESUS AS LORD**

# Welcome

Care and education for your child is one of the most important decisions you can ever make. At Harvest Christian Preschool & Daycare, our staff will work to ensure the highest quality of care and education for your child.

## A History of Excellence

Harvest Christian Preschool and Daycare serves as an extension of Harvest Christian Fellowship's non-denominational Christian education program and a service to the community. We offer both half-day and full-day programs for infants through age 6. We also offer before and after school and summer programs for grades K-5. Our curriculum continues the long-standing excellence in pre-kindergarten preparation that our facility is famous for and includes basic Christian education designed especially for children.

## Our Vision:

**Be the most effective and loving pre-school program available!**

**We're not prepping children for school, we're preparing them for life.**

# What we Teach

When children are engaged, they learn. When they are matched with caring leaders and a positive community of peers, they build healthy relationships. And when they are introduced to the wonder, power, and mystery of the God of the universe, they are forever changed. These are our goals at Harvest. Through fun music, lively storytelling, and high energy activities, we demonstrate God's story – a story filled with amazing feats, heroic sacrifice, and unbreakable love. What kid wouldn't get excited about that?!

But our desire isn't just to teach Bible stories. We work hard to partner with parents in raising a generation of kids who know how to:

**A Make wise decisions**

**B Trust God in all situations**

**C Treat others the way you want to be treated**

That's why our lessons focus on ways to apply these important truths to everyday life.

Above all, we work to write on kids' hearts the life giving message that hope is real and there is a God who loves them infinitely more than they can even imagine!
