Dear Parents,

The Hawaii Kai Church Early Learning Center (HKCELC) continues to monitor the COVID-19 (Coronavirus) situation, and how it is affecting our community. Yesterday, the Hawaii State Department of Education (HIDOE) announced that they will extend their spring break by adding another week off, returning on Monday, March 30.

Following the social distancing strategies of the DOE to slow the rate of contagion, HKCELC will also take an extra week off as we monitor the progression of COVID-19. As always, our primary concern is the safety and well being of our children and families.

We will continue to monitor the daily updates from the Hawaii State Department of Health and our government leaders, and communicate to you, as soon as possible, any changes we will be implementing. As of today, we will resume school on Monday, March 30th. Thank you for your cooperation and understanding.

Please continue to pray for our families and communities as we love one another and work together during this time of trial. Here at HKCELC, we believe in a powerful and good God - a God in whom we can place our trust. We are confident that He will see us through.

“God is our refuge and strength, a very present help in trouble. Therefore we will not fear though the earth gives way, though the mountains be moved into the heart of the sea” Psalm 46:1-2

Blessings,
