August Recap

The school year is off to a great start! The children are settling into their new school routines, we have started our daily chapel, and we were able to enjoy the performance, "Step by Step" from the Hawaii Theater for Youth. The play highlighted the importance of taking good care of our bodies through eating well, exercise and friendship.

Open House at Hawaii Kai Church Early Learning Center

This month we will be inviting our parents and enrolled students to our classrooms for Open House! It will be an opportunity for you to get to know your child's teachers a little better, see the classroom up close, learn more about what your child has been learning so far this year, and what our goals are going forward. Each class has provided 2 separate time slots to help manage group size. As such, we ask that just parents and students attend (sorry, no siblings). If you have any questions, please see your child's teacher.

Aloha Week Festivities

During the month of September we will be focusing on Aloha Week festivities and Hawaiian culture. Some of the activities we have planned include 'ukulele and hula performances, a lū'au, as well as a live performance from the Royal Hawaiian Band! There are many family events that have resumed this year that you can participate in as well, including the Waikiki Ho'olaule'a on Saturday, September 17th as well as the Annual Floral Parade on Saturday, September 24th. For more information visit alohafestivals.com.

Pauahi Keiki Scholars Application Period Open

Pauahi Keiki Scholars is a need-based scholarship, open to preschool aged students planning to attend a participating PKS preschool in Hawaii. The application period is now open. The deadline to apply is December 1, 2022. For more information, visit www.ksbe.edu.

Chapel Update

Chapel is an important part of our day at Hawaii Kai Church Early Learning Center. It is one of the ways that we can formally worship together as a school and learn more about the Bible. The children have been learning about how God created the world and the story of creation. Throughout the month of September, we will continue through the book of Genesis.

Sunday Worship at Hawaii Kai Church

If you do not have a home church, we invite you to join us for Sunday morning worship at Hawaii Kai Church. Sunday school and nursery care are available for children ages 4 months through 3rd grade. For more information visit www.hawaiikaichurch.org.

Preteen Ministry at Hawaii Kai Church

Our preteen ministry is designed to reach out to students in grades 4-6 with the purpose of helping them grow in their walk with Jesus Christ through the teaching of God's Word in a fun, nurturing environment. The evening includes games, Bible study, and dinner. Preteens meet every 2nd and 4th Wednesday from 6:00-7:30 pm. For more information, contact our Children's Ministry Director, Darci Steiner, at dsteiner@hawaiikaichurch.org.
