I'm Feeling Lucky

“I’ve always wanted to be somebody...but I see now that I should have been more specific.”

Lily Tomlin

“If you watched a movie about a guy who wanted a Volvo and worked for years to get it, you wouldn’t cry at the end when he drove off the lot, testing the windshield wipers. You wouldn’t tell your friends you saw a beautiful movie or go home and put a record on to think about the story you’d seen. The truth is, you wouldn’t remember that movie a

week later. Nobody cries at the end of a movie about a guy who wants a Volvo. But we spend years actually living those stories, and expect our lives to feel meaningful. The truth is, if what we choose to do with our lives won't make a story meaningful, it won't make a life meaningful either."

Donald Miller

God Has Authored a Very Satisfying Story.

Haggai 2:20-22

“We have left the dance. But we all long to be brought back in. This longing is embedded in the legends of many cultures, and though the stories are all different they all have a similar theme: A true king will come back, slay the dragon, kiss us and wake us out of our sleep or death, rescue us from imprisonment in the tower, lead us back into

the dance. A true king will come back to put everything right and renew the entire world. The good news of the kingdom of God is this: Jesus is that true King.”
