

Aliens Standing Firm

1 Peter 1:1-2, 5:12

Main Idea: Hope-filled standing produced Christ-exalting walking in the midst of suffering.

1. We stand firm in the apostolic teaching of God's Word to His church.
2. We stand firm as designated strangers living in a temporary home.
3. We stand firm as those rescued by the powerful Triune God.
4. We stand firm as God-dependent sojourners.
