## Discussion Questions

1. Read John 10:10-11. What is the primary difference between the shepherd and the thief? Describe the abundant life that Jesus wants us to enjoy.
2. Read John 7:37-39. What was Jesus speaking of when He referred to rivers of living water? What do we learn about the ministry of the Spirit in Revelation 22:1?
3. In Revelation 22:1, the river flows from God's throne. What must we do before God's throne in order to drink from this river of the water of life? How does the promise of drinking from this life-giving water help our hearts yield in submission to God?
4. In v. 2, what do we learn about the tree of life? Why is the restoration of the tree of life to us in the new earth so significant?
5. Luke began the sermon by showing a picture of the Dead Sea and the desolate Judean wilderness. How is that a picture of what our lives used to look like before Christ? What changes did you see in your life after God gave you spiritual life? What signs of life do we see when someone is born again?
