SPRING 2022 SUNDAY SCHOOL: *This Spring we will have 2 quarters:*

Q1: January 9-March 13;

Q2: March 20-May 29 with a Sunday off for Easter on April 17.

Here's the list of class offerings for the 1st Quarter.

LUKE CLASS: LED BY STEVE HUTCHINGS AND TYLER ROBERSON

The Gospel of Luke presents Jesus as the king of an upside down kingdom. A kingdom where the weak, the poor, and the outcast are favored, where citizenship is through faith, and the king himself is a suffering servant who dies for the sins of his people. A kingdom that sounds too good to be true, and so Luke provides plenty of evidence to back up his claims. This class will be a simple overview of the book of Luke that dives deep into a handful of life-changing stories.

EVERYONE'S A THEOLOGIAN BY R.C. SPROUL - CLASS LED BY JEFF SIREN AND STEVEN EDGING

Many people react negatively to the word theology, believing that it involves dry, fruitless arguments about minor points of doctrine. Yet as Dr. R.C. Sproul argues, everyone is a theologian. Any time we think about what we value, the ultimate purposes of life, or a teaching of the Bible and strive to understand it, we are engaging in theology. Therefore, it is important that we put the Bible's varied teachings together in a systematic fashion, using proper, time-tested methods of interpretation so as to arrive at a theology that is founded on God's truth.

RETHINK YOUR SELF: CLASS LED BY THOMAS DEMOSS

Through engaging discussion, this class will use Trevin Wax's book, "Rethink Yourself" to encourage you to rethink some of our society's most common assumptions about identity and the road to happiness, sayings like "You do you" and "Follow your heart." Most people define their identity and purpose by first looking in (to their desires), then looking around (to express their uniqueness), and finally—maybe—looking up (to add a spiritual dimension to life). Rethink Your Self proposes a counter-intuitive approach: looking up before looking in. It's only when we look up to learn who we were created to be that we discover our true purpose and become our truest selves.
