Love healthy eating? Want organic produce?

Support HCA by purchasing your CSA here!

Owner/farmer Ashley Howard said,

"I know the value of
Holden Christian Academy
and I want to support it!"

Mr. Howard is donating a large percentage of every 15 week summer CSA* share sold by HCA . (*CSA stands for Community Supported Agriculture. A CSA allows members to have direct access to high quality, fresh produce grown locally by Heavens Harvest Farm. When you become a member of this CSA, you're purchasing a "share" of vegetables from Heavens Harvest Farm.)

In other words, for the exact same price as joining HHF's summer CSA online, you simply add the step of turning in the form below and HCA will get a nice donation. What a great deal and generous offer to us! Many of us have purchased shares in the past and look forward each week to a box of luscious, fresh, locally grown, organic produce delivered to a convenient place near home. Check the website for the locations of the drop-off spots, including HCA, www.heavensharvestfarm.com. The contents will differ each week depending on what is perfectly ripe. All kinds of greens, squashes, tomatoes, carrots, potatoes, berries, fruit etc. could be included.

Size of Share	# of people fed per week	Cost per summer	June 10 th -September 16 th
Small	1-2 adults	\$390	
Medium	2 adults & a few kids	\$555	
Large	3+ adults & several kids	\$750
