

# Sermon Questions

Sermon Notes October 13, 2019

## Key Verse

Jesus did not let him, but said, *“Go home to your own people and tell them how much the Lord has done for you, and how he has had mercy on you.”* -Mark 5:19

## LIFE with People, Part Two

### LIFE series

*So evangelism isn't about a person to convert; it's about a story to tell, specifically your own story about how Jesus has loved, forgiven, rescued, restored, and renewed you. –Pastor Dan*

1. Think about a time when you were surprised. Briefly share the details and how it made you feel.
  
2. How have the LIFE Series and the LIFE Model (LIFE with Jesus, LIFE with People, and LIFE with Purpose) impacted you so far? What are some ways you are applying what you're learning to your life?
  
3. Take a moment to recall people in your life who do not personally know Jesus as their Savior. What are some of the reasons they give? How have you responded to them?
  
4. According to Dan, an inviting church shares good news, spreads good deeds, and lives good lives. How do the following verses give examples of these three actions?
  - Matthew 5:16
  - Mark 5: 19-20
  - 1 John 3:18
  - 1 Peter 2:12
  
5. This week, Dan challenged each of us to choose one person we know who has not yet entered into Capital L LIFE with Jesus and do the following:
  - Pray for them (only God can soften a heart)
  - Care for them (love them with no strings attached expecting nothing in return)
  - Listen to them (questions, doubts, fears)
  - Share with them (your story of how much the Lord has done for you)

Who is your person and what is your plan? Pray together as a group for them.
