LIFE Series - Love Your Neighbor Near & Far

1. Have you ever thought about missions beyond "Sending or Going"? Share your "missions experience".
2. Read Matthew 28:16-20 (The Great Commission) and Matthew 22: 34-40 (The Great Commandment). How do these readings impact your Christian lifestyle in regards to the Little 'c' church (Hopevale) and the Big 'C' (World Church)?
3. Over the past few weeks we have discussed how we each have been wired with a unique gift for the purpose of honoring God and growing His Church. Take a minute and think of a mission within your reach or sphere of influence and decide how you can respond during the weeks ahead?
4. Discuss your thoughts regarding the upcoming Perspectives Class that will begin on January 13. Is this something your group is interested in doing together? Click [here](#) to learn more or send an email with your questions to kelly.davidson@hopevale.org.
5. Some 60 years ago Hopevale, as a vision was planted by mission minded people. Today that vision of mission continues with opportunities both near and far. If you could choose, (and you can) what role would you choose to participate in the mission field?
 - Some ways to consider are with **your mind**—thru prayer.
 - With **your hands**—by participating in behind the scene funding and preparation.
 - With **your feet**—by being physically on the ground doing.
 - With **your heart**—sharing with others about a mission.
