FAITH Series - Not Seeing Yet Believing

Now faith is confidence in what we hope for and assurance about what we do not see. -Hebrews 11:1

1. Describe a time in your life when it was hard to hold on to your faith in God. How difficult is it for you to have faith when things go wrong?
2. Have you ever had anyone say to you that you need more faith? What were you going through? Did that statement help?
3. Pastor Dan shared that the power of our faith does not rest in us but in the object of our faith. What are the qualities of God that we should keep in mind?
4. Think of visible examples of God's creation. How can they assure us that an all powerful, all knowing, loving God is real? Refer to Genesis 1:1-31.
5. In Hebrews 11:6, we read that God rewards those who earnestly seek Him; how is this different than God giving us whatever we wish for?
6. What is something someone else has done for you to encourage you in your faith?
OR What can you do to encourage someone else who's struggling in their faith?
