

## Hope Heals Us Completely (Mark 2:1-12)

*Jesus came to be our Messiah, not our magician. – Pastor Dan*

1. Pastor Billy aka “Swizz Cheese” sang “I’m not enough unless You come. Will you meet me here again?” Where is God meeting you these days?
2. Read Mark 2:9-12. Could a miracle like this still happen today? What are we to learn about “Encountering Hope”?
3. Given that Jesus performed miracles, healed hurts, and met needs...do you think he was tempted to continue as a type of magician? What things did Jesus do so that He could stay on task in fulfilling God’s greater purpose?
4. Pastor Dan effectively said the “be-all” and “end-all” even for a paralytic was not to walk again, but to be forgiven. Can you confirm this as true in some area of need in your life?
5. Pastor Dan said 1 of the 4 reasons Jesus performed miracles was to preview His forever kingdom. What one miracle in Scripture can you think of that excites you about the prospect of living in eternity? Who in your life can you share this with?
