Hill Country Bible Church has developed a screening policy of all applicants for sensitive ministry positions. This policy includes conducting a criminal records search. The policy reflects our desire to protect our ministry workers and prevent abuse of children or youth.

Background check information will be held in the strictest confidence and only shared with appropriate pastoral staff as deemed necessary.

I understand:

(1) A background check will be performed on all persons eighteen years of age and older through Clear Investigative Advantage, which requires the following waiver and indemnity language:

I hereby give permission for Hill Country Bible Church Hutto to obtain information relating to my criminal history record through the Clear Investigative Advantage. The criminal history record, as received from the reporting agencies, may include arrest and conviction data as well as plea bargains and deferred adjudication. I understand that this information will be used, in part, to determine my eligibility for an employment or volunteer position within HCBCH. I also understand that as long as I remain an employee or volunteer at HCBCH, the criminal history records check may be repeated at any time. I understand that I will have an opportunity to review the criminal history and a procedure is available for clarification, if I dispute the record as received.

I, the undersigned, do, for myself, my heirs, executors and administrators, hereby remise, release and forever discharge and agree to indemnify the Clear Investigative Advantage, and each of their officers, directors, employees, and agents harmless from and against any and all causes of actions, suits, liabilities, costs, debts and sums of money, claims and demands whatsoever, and any and all related attorneys' fees, court costs, and other expenses resulting from the investigation of my background in connection with my application to become a volunteer or staff member.

(2) The information that I have provided may be verified, if necessary, by contacting persons or organizations named in the application, or by contacting any person or organization that may have information concerning me.

I affirm that the information I have provided is true and correct.
