Dear Family,

Thank you for downloading our E-Book. At Immanuel, we understand that selecting the right school for you and your family is one of the most important decisions you will make for your children. We are here to help you and answer all your questions as you begin your journey.

Who Are We?

Immanuel Christian School is the largest ministry of Immanuel Church. Our school was established in 1969 as a Daycare/Kindergarten program. In the 80's we added the Elementary and Junior High Programs. In 1998 we began our High School program and the following year we built the High School wing. Our first graduating class was in 2002. ICS continues to move forward with God's direction and has added a variety of programs, including a college prep class, athletics, chapel for all grades, extracurricular activities, CISCO Academy, community outreaches, and scholarships for our graduates. We also continue to be fully accredited with the Association of Christian Schools International (ACSI).

Our Vision and Mission

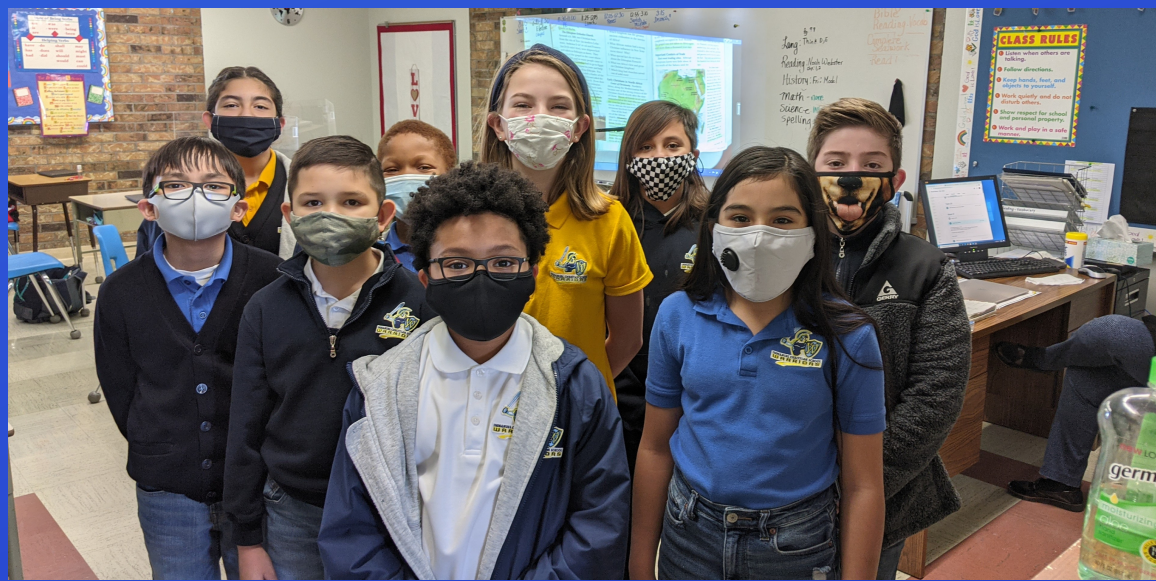

Mission Statement: ICS will provide students with a rigorous academic foundation anchored on the truth of God's Word so that they will impact the world with a positive Christian Worldview.

Vision Statement: The ICS student will stand for what is right, strive for excellence in all they do, and serve their community with the compassion of Christ.
