# **HOUSE CHURCHES TRANSFORMING LIVES**

**What we can learn from the early church and  
Chinese house churches**

Rev. Chris Dippenaar will share from his experience of the house churches in China in connection with his present ministry (theological training of house church leaders). What can we learn from the way the early church faced challenges, together as a community, and also from the way our Chinese brothers and sisters are facing up to similar difficulties. How do they respond? And how does God react to their situation?
