'If we want a better world, composed of better countries, inhabited by better states, composed of better cities, inhabited by better neighborhoods, illuminated by better churches, made up of better families, we need to become better people; godly people. It all starts with personal responsibility – living all of life under God...

The kingdom agenda is the visible demonstration of the comprehensive rule of God over all of life. It starts with you individually, it moves to the family, it moves to the church, and then it bursts out into the society.'

Pastor Tony Evans, 'The Kingdom Agenda'

'As members of Jacob's Well we acknowledge that the primary locus for spiritual formation and discipleship of children is in families (Deuteronomy 6:4-9). As a community we desire to help one another in this process by bearing one another's burdens, sharing counsel and wisdom in parenting, serving and helping in ministries which assist raising our kids in the gospel (WellKIDs, Men's Boot Camps, Women's Retreats, Mom's Gatherings, etc).'

Pastor Reid Monaghan, from the Jacob's Well Mission Class
