Mortifying [putting to death] sin is first and foremost a spiritual act. The only way to defeat any sin in your life is exclusively through the work of the Holy Spirit

TESTAMENTS OF LOVE

A STUDY OF LOVE
IN THE BIBLE

LEON MORRIS

Eros has two principle characteristics: It is a love of the worthy, and it is a love that desires to possess. *Agape* is in contrast at both points. It is not a love of the worthy, and it is not a love that desires to possess. On the contrary it is love given quite irrespective of merit and it is a love that seeks to Give.

Leon Morris, Testaments of Love, Quoted in "Love," Evangelical Dictionary of Theology 709.
