QUOTE OF THE WEEK

"Would have. Could have. Should have. This is the language of condemnation underscored by the passivity of regret. It's a dead language. The thing is, you can't un-sin. You can only repent." —Steven Furtick

DECISIONS FOR CHRIST

You've Got
What it Takes...

TO HEAR GOD'S VOICE

GOD SPEAKS TO US

1

Through His word

All Scripture is God-breathed and is useful for teaching, rebuking, correcting and training in righteousness, *2 Timothy 3:16*

2

Through His Son

¹ In the past God spoke to our ancestors through the prophets at many times and in various ways, ² but in these last days he has spoken to us by his Son, whom he appointed heir of all things, and through whom also he made the universe. *Hebrews 1:1-2*

3

Through His creation

For since the creation of the world God's invisible qualities—his eternal power and divine nature—have been clearly seen, being understood from what has been made, so that people are without excuse. *Romans 1:20*

4

Through inaudible promptings

After the earthquake came a fire, but the LORD was not in the fire. And after the fire came a gentle whisper. *1 Kings 19:12*

5

Through music

After consulting the people, Jehoshaphat appointed men to sing to the LORD and to praise him for the splendor of his holiness as they went out at the head of the army, saying: "Give thanks to the LORD, for his love endures forever." *2 Chronicles 20:21*

6

Through other believers

Well, my brothers and sisters, let's summarize. When you meet together, one will sing, another will teach, another will tell some special revelation God has given, one will speak in tongues, and another will interpret what is said. But everything that is done must strengthen all of you. *1 Corinthians 14:26 TNLT*

STATIC INTERFERENCE

- The lies of the enemy in our insecurities
- The lies of the enemy in our fears
- The lies of the enemy in our condemnation
- The lies of the enemy in our discouragement

“Great deeds remain undone and the possibility of growth into greatness of soul is aborted.”

————— *Brennan Manning* —————

NOISE CANCELLATION

God wants us to hear His voice above all others. There are so many voices coming at us... we need “noise-canceling headphones” to cut through the distortion.

- The average person has more than sixty thousand thoughts per day.
- Over 80 percent of those thoughts are negative.
- We are being flooded by voices from the media, telemarketers, politicians, and social engineers.
- We need to be able to “cut” through the shouts and tune-in to God’s voice for us—His eternal truths.

FOUR CONFESSIONS

1

We overpower the lies of insecurity with the truth.
God says I am.

2

We overpower the lies of fear with the truth.
God says He will.

3

We overpower the lies of condemnation with the truth.
God says He has.

4

We overpower the lies of discouragement with the truth. God says I can.

THE FUTURE YOU EXPERIENCE.**
