

## Worship Leader (Part Time)

### Worship Ethos:

As Anglicans, we embrace both ancient and contemporary forms of worship music. The Church has a treasure trove of sacred music that is both centuries deep and globally wide, all of which is available to us! We also seek to worship "in spirit and in truth," which means we believe that liturgical worship can be both Spirit-filled and theologically rich, Biblically rooted.

### Whom are we looking for?

- **A Team-Builder:** Someone who is able to recruit and lead musicians of varying skill levels and ages.
- **A Shepherd with a Love for Christian Community:** Someone who can pastor our worship musicians and who wants to journey in faith with their brothers and sisters in Christ.
- **One Who is Mature in Christ:** Someone with a teachable heart and a commitment to growth and learning.
- **One Who is Open to the Holy Spirit:** Someone who is sensitive to the Holy Spirit and leads from a vibrant place of life.
- **Do you have to be Anglican?** Not necessarily! As long as you're open to sacramental worship and the Anglican ethos, we can work with that.

### Main Duties Include:

- **Plan music and create Sunday worship slide show**
- **Pastor our Worship Musicians:** hold weekly rehearsals, recruit new members, equip existing members, and so on.
- **Assist audio/visual team as needed**
- **Plan and lead music for other special services and events:** Holy Week, Christmas Eve, Church Retreats, etc.

### Hours & Compensation:

8-16 hours/week and \$800-\$1,400/month, dependent upon experience

**Please note:** The hours and responsibilities currently required for our outdoor worship setting will expand when we return to a "normal" indoor worship setting.

Interested applicants should send a philosophy of worship, a resume and 2-3 A/V files to:
