**Laguna Chinese Baptist Church
PARENTAL OPT-OUT FORM**

This form provides parents with the opportunity to **say no** to images of their children appearing in public (for example, on the church web page which is on the internet) through our church's digital communication tools which may include photos, video and/or live streaming.

If you object to your child's image appearing on the church web page, please fill out your child's information (one form per child), check the associated box below, and sign the form.

By checking the box below you are choosing to **PREVENT** the posting of your child's image on the church web page. Whether parents opt out or not, children's names will not be disclosed in public posting in order to protect the privacy of children

- I DO NOT want my child's image posted on LCBC's web page through digital communication tools.
