## Pray for the Spirit to Revive Sleepy Hearts

Ezekiel 37:1-14 is a beautiful description of a vision given to the prophet Ezekiel of a seemingly impossible event that took place. A valley filled with dry bones, at the command of the Lord, became a great army. Just as the Lord promised the children of Israel in verses 11-14 that He will bring them out of their dead state and put His Spirit in them so they can live again, He can do the same today. The Lord can revive sleepy hearts and souls. Just as the Lord instructed Ezekiel to prophesy over the dry bones to come alive, so the Lord is calling us to declare His words to our churches, our communities, our states, and our nation. It is time to travail in the place of prayer until we see the sleepy hearts revived and we see a great awakening in the Church. (Ephesians 6:18)
