Pray for the Strength and Health of Legacy Church

Revelations 3:1-6, the words of the Lord to the church in Sardis were a wake-up call to His sleeping bride, who had forgotten her commitment to her lover and had not been found faithful in fulfilling her duties. Still today, the Lord is calling His church to awaken from her slumber and strengthen that which remains and is about to die. Just like the five foolish virgins who took no extra oil for their lamps (Matthew 25:1-13), the Lord is calling out to awaken His bride before the lamps go out. There are unfinished works to be completed (Revelations 3:2). The Lord is calling to His church to remember the truth she had once received and heard, holding fast to it. We are losing the truth to culture, society, politics, and the cares of life. We are so complacent and lukewarm, that we have lost our zeal and desires. No wonder we do not see much of God's movement in our days. The Bridegroom is calling to His bride "**AWAKE**".
