### Great Things Happening:

- In Uganda there has been a revival and substantial growth to the church for the past 20 years now.
- Christianity is marked as the great source that helped bring the rate of HIV/AIDS down from 30% of the population in the 90's to now under 5%.
- Crime rates have fallen dramatically due to the Gospel being preached.

### Prayer Focus:

- Pray for the corruption within the Ugandan Government, that it would stop so they can effectively make decisions that would better the livelihood of the Ugandan people.
- Pray for the 800,000 families which have been displaced due to HIV/AIDS and the Lord's Resistance Army. (Background - The Lord's Resistance Army (LRA) has been one of central Africa's cruelest and most enduring armed groups over the past 30 years. The LRA has abducted over 67,000 youth, including 30,000 children, for use as child soldiers, sex slaves, and porters, and has brutalized communities since its inception in 1987.)
- Pray for the many orphans who are currently without shelter, food, or education.
- Even though churches are making an impact in Uganda, they are not united. Pray for Unity within the churches.
- Pray for spiritual and emotional maturity of the Christians, since the average age in Uganda is 24 with a typical lifespan of 60.
- Pray for more theological training for the leaders.
