

## **The Virtuous Woman Part II**

Proverbs 31:10 & 28

<sup>10A</sup> wife of noble character who can find? She is worth far more than rubies. <sup>28</sup>Her children arise and call her blessed; her husband also, and he praises her.

A woman's purpose is to be a virtuous woman who fears God, loves her husband, and loves her children. We need to stay on a godly foundation. Many women are floating throughout life without God as their anchor. We must focus back on our foundation.

Husbands and children should give praise to the virtuous woman. Why? It feels good. It honors God. It strengthens godly women.

Proverbs 18:22

<sup>22</sup>He who finds a wife finds what is good and receives favor from the Lord.

Adam was alone and it wasn't good for him to be alone, so God gave him a wife. God gave him Eve. What a blessing to have your spouse! The wife is a tremendous prize from God. Give honor to your wife. Building up your wife in front of the children will strengthen the entire family. It is important for the children to hear your words of praise for your wife regularly. She will feel valued and important.

We can still live virtuously although we go through tough situations. God should be glorified in all situations. When we handle tough situations with grace, we make things better for ourselves and the others around us. We must trust God in the midst of our trials.
