Revelation 22:20-21

U.S.-Mexico border and heading to Ensenada to be ministers of the Gospel. While we are there, our team of nine will have the privilege of partnering with Pastor Nicolas Gallegos to build a home for a family in his church (Andres and Rosa Sanchez-Castillo and their two-year old daughter Andrea).

By God’s grace through your help, we have almost raised all of the necessary funds for our trip. We have roughly \$2,000 more to raise for our basic support. Additionally, we have the opportunity to bless the Sanchez-Castillo family by supplying some basic necessities which include a bed (\$95), a dining table and chairs (\$160), a food pantry basket (\$65), and essential houseware and linens. If you are able to partner with us financially, please make out checks to *Little Rock Community Fellowship*, mark them *Mexico*, and place them in the offering box.

Finally, our deepest desire is that our entire church family would cover us in prayer before, during, and after our trip. Please pray that God would prepare our hearts to be challenged, stretched, and shaped into His likeness. Please pray that God would prepare our hands to serve the Sanchez-Castillo family and anyone else God brings our way. Finally, please pray that God would give our team a deep and abiding love for and unity with one another.

Thank you so much for investing your time, finances and prayers. We are excited to be partnering with all of you in this unique global ministry!
