Don't get lost in the crowd! That's why Living Hope has a Cell Group ministry starting in the week of Feb. 18th. We want everyone to have the opportunity to be cared for and be known. To start the year right we are going to start a book study called '30 days To Understand The Bible'. Get your copy of the book for a donation of \$10 when you visit and join a cell group at the open house.

## SERMON NOTES

Jesus is Greater

“As You See the Day Drawing Near”

Hebrews 10:19-39

Pastor James Lee

1. What is the intended audience and purpose of the book of Hebrews? Why would today’s message be worth listening to?
2. According to Hebrews 10:19-21, what are some effects of Jesus’ blood freeing us to enter the holy place with confidence?
3. According to the speaker, what is the difference between the theological concepts of immanence and imminence?
4. According to the speaker, how should we live out our faith if the end point of this life is immanent?
