A  CHRISTMAS

SERMON NOTES

Becoming Who We Are, Part 10

“He Who is Both Their Master”

Ephesians 6:5-9

Pastor James Lee

GET-TO-KNOW

- Ice Breaker – Let each person draw a picture that represents his or her week and share about it.

FROM-THE-SERMON

1) Read Ephesians 5:6-9 together. What are some observations and/or questions you have about the text?

2) How should we understand “bondservants (ESV)” in comparison to the slavery of African Americans?

3) What does Christ say about sufferings in life?

4) Rather than achievements or possessions, what should Christians base their hope and joy on?

BEYOND-THE-SERMON

5) Endure hardship and meaninglessness at work by hanging your hope in eternity. What are some difficulties you face at work? What difference can eternal life make in your workplace?

6) Keep your integrity and do Godly work at your workplace. Who are some people that frustrate you at work, or what are some things you have done in “retaliation” against your frustrations? What difference of God being both their and your Master make in your workplace?
