WE BELIEVE

The first five years are not just the cutest years of a child's life, but most critical in how we can nurture their worldview about God, themselves, and the world around them.

WHAT WE DO

PRAISE |

From Birth to Pre-K, we sing the same praise set every week!

BIBLE STORY |

2-5 yr olds hear the Bible Story in at least 3 different ways!

PLAY |

Worship starts with play in each KKJ room. Play is intentional and focused on togetherness.

SMALL GROUPS |

3-5 year olds have small group time to develop relationships with their leaders and peers.

PRAYER | OFFERING

We pray together in a small & large groups for the older ones and we pray over our 0-1 babies by name.

SNACKS |

We try our best to offer healthy & allergy-free snacks! We love snack time!
