## check-in your child

# 1

Meet the LHCC Welcome team to register your child for the nursery. The check-in sticker you will receive is necessary for you enter our nursery every Sunday.

# 2

## come to the kkj.0-1 room

This room is for newborns - 23 mths. We encourage all parents to check-in their infant as soon as possible (ideally within the 0-3 mth window so they don't have separation anxiety).

# 3

## prayer from ps.steve

LHCC loves babies! It is Living Hope's culture for the senior pastor to pray for your child during worship in the main sanctuary. If you would like to arrange for this blessing please email the KkJ director.
