---

The following are discussion questions based off of the sermon on September 29, 2019.

**GET-TO-KNOW**

1. What is your (your family or your friend's) immigrant story?

**FROM THE SERMON**

2. The speaker began by talking about how Christians use Scripture to make absolute propositions when we are using them as confirmation biases? In what ways do you think Christians do this or not do this?
3. Read Acts 5:27-32. What does this incident show about the Christian's obligation to obey God and the Law?
4. Read Leviticus 23:22. What is one practical way in which the New Testament Christian can practice this Old Testament principle?
5. How does our Christian identify as strangers in this world (1 Peter 2:10-11) impact how we ought to treat strangers in the country?

**BEYOND THE SERMON** (perhaps in smaller groups)

6. What is one counter-intuitive way that you can live in this tension as a Christian?
