GET-TO-KNOW

1. What were some of your highs and lows of the week?

FROM THE SERMON

2. When the original audience read Romans 12:1, they may be thinking of the whole burnt offering as described in Leviticus 1:1-9. If so, how do you think their understanding of Romans 12:1 may differ with our understanding?
3. The speaker defined worship as the thing or person we assign greatest worth to. Aside from God, what do you often worship (assign greatest value to)?
4. Is Romans 12:2 asking the Christian to DO or to BE? Either way, HOW is Paul asking us to accomplish this?
5. Why do you think Christians have a difficult time applying the THEREFORE commands of Romans 12:1-2?

BEYOND THE SERMON (perhaps in smaller groups)

6. In smaller groups... what is one practical way in which God is calling you to: 1) present your bodies as a sacrifice or 2) transform your minds?
