

NEHEMIAH 13 - WRAP UP

SMALL GROUP STUDY QUESTIONS - TO DISCUSS ON _____

Welcome to your final small group discussion!

Please share why you are glad you decided to join this bible study.

What is the most significant thing you learned from another member of your small group?

Do you feel called by God to do something very specific or called to a certain area? If so, how do you plan to respond to Him?

What was something new or unexpected that you learned about yourself, God, or redemptive history as you studied this book or heard the messages?

What is something that was shared today that was meaningful to you or sparked an interest or excitement for further bible study or life application?

PRAYER FOCUS: Thank the LORD for preparing our hearts beyond academic study of His word so we were able to experience Him deeply and personally. Pray to faithfully hear and obey His calling in our lives like Nehemiah.
