

Currently in partnership with:

Central Union Mission (Washington DC), Helping Up Mission (Baltimore, MD), Westminster Rescue Mission (Westminster, MD) and Frederick Rescue Mission (Frederick, MD)

Safe Harbor proposes partnership with Missions, Shelters and Day Programs to provide Christian counseling services to all the men, woman & children in the program.

- We offer licensed counselors (LCSW-C or LCPC) on site to provide Christian based, clinically sound mental health services.
- Our counselors bring a vast array of expertise related to treatment of substance abuse and mental health issues.
- There is no cost to the Rescue Missions or Shelters (*we are an in network provider with Maryland and DC Medicaid*)
- We can work with all of the men and women in the program, or just some of them (*if they already have mental health counselors that they are currently working with*)
- We handle all insurance billing from our national office in Bel Air, MD. Client records are kept electronically - we do not need to store records.
- Our counselors and administrative personnel work closely with the staff at the mission to schedule the men and women.
- Collaboration and Seamless treatment: Our on-site counselors value collaboration with the Rescue Mission's & Shelter's staff to ensure high quality clinical and spiritual treatment.

We are in 9 states, with over 120 counselors and 90 locations at local churches, schools, missions and shelters nationwide. We accept most major health insurance.
