Come Join us For Camp!

Maybe you're looking at the summer schedule and seeing a boring summer or you are busy to the point where you need a break. If that is the case then you need to come to our summer camp where you will find all that you need to have a awesome time. So your're asking what is included in the camp? The answer is that we will be down on the river sleeping in cabins enjoying the outdoors chilling at the pool or in the lake. Plenty of boating will be available where you can tube or wakeboard. One of the most exciting events going on for youth today is paintball and there will be plenty of that to go around as well. All the gear needed for paintball will be included and so you just need to bring yourself and everything else is included. We will have a great speaker and worship team that will join us as well, but best of all we will have some quality time to dig into the Bible, please don't let that intimidate you because we are interested in you having a good time and learning more about God's word. If you want to fish bring your gear and fishing license. Now it is up to you to come and join us but please bring friends with you because that makes the camp experience much better.

Payment and Registration is due by July 15 (Checks Payable to MBC)
The "Registration/Health and Release Form" is available at Youth Group on Sunday Nights
