

# Lord's Day Worship

June 21, 2020

## BEFORE YOU START

- Pick a time and place. We know that disruptions may come up, but do your best to preserve this time. It is powerful when we slow down, take time to worship, and pay attention to the way God is moving. Put phones and other distractions away.
- Designate a leader to transition through the elements of the liturgy. Portions that say “together” will be read or prayed by everyone. This practice will help you stay focused and help the service flow more naturally.
- Don't feel a need to rush through everything! If God's doing something, linger there.
- Remember your participation in the whole of it matters! Try to avoid just listening to the sermon, but participate in as many of the elements you can. Every element is formative and shaping us in particular and powerful ways, not just the preached Word of God. If it's time to sing, sing with passion. If it's time to read, read with confidence.
- We put everything in order so you can simply scroll down through the order of the liturgy. We know that this might feel a little weird, but as you interact with our content this morning, know that you are not alone. God is with us and many others around the world are worshiping in the same way today.
- Last but not least, give tons of grace to yourself. Dependent on if you're engaging solo or with others will affect how this plays itself out. Kids will adjust how things go and that's ok. Experiment one way this week and if something doesn't work, adjust it. God is with you. God is in you. He loves you and will guide you in these times.

We love you all and can't wait to gather again as a whole church body, but until then, lead with faith and confidence. We trust that God will be using this time of scattering to gather us to Himself and deepen our roots in Him.

## Call to Worship: Psalm 47:5-8

Jesus is indeed a matchless king, and by faith and the power of his Spirit, he is our king. We not only look on his glories from a distance but we admire him as a brother, as a friend, as those who are known by him, and know ourselves loved by him. There is no king like Jesus.

Leader: God has gone up with a shout,  
the Lord with the sound of a trumpet.

**Family: Sing praises to God, sing praises!**  
**Sing praises to our King, sing praises!**

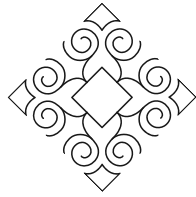

Leader: For God is the King of all the earth;  
sing praises with a psalm!

**Family: God reigns over the nations;**  
**God sits on his holy throne.**

Brothers and Sisters, He is worthy of our worship!

## Songs of Adoration

Sing the first two songs on the YouTube or Spotify play list: **Glory to God Forever** and **How Marvelous**

## **Affirmation of Our Faith**

Let us affirm what we believe to be true by reciting from the *Westminster Larger Catechism* (Question and Answer 196):

**Question:** What does the conclusion of the Lord's Prayer teach us?

**Answer:** The conclusion of the Lord's Prayer (which is,  
"For yours is the kingdom, and the power, and the glory, forever. Amen.")  
teaches us to reinforce our petitions with arguments which are taken,  
not from any worthiness in ourselves or in any other creature, but from God;  
and to join praises with our prayers,  
ascribing to God alone eternal sovereignty, omnipotence, and glorious excellency.  
In light of this, because he is able and willing to help us,  
we are emboldened by faith to plead with him that he would,  
and to quietly rely on him that he will fulfill our requests.  
And to testify that this is our desire and assurance, we say Amen.

## **Prayers for Christ's Church and the World**

Spend a few moments taking prayer requests. Pray with and for each other, our community, our church, our missionaries (Ambrose and Camiola Families), our nation, and the world.

## **Songs of Response**

Sing the last song on the YouTube or Spotify play list: **All Hail the Power of Jesus Name**

## **Giving of Your Offerings**

If you are a part of our church family, one of the ways that we worship is through the faithful giving of our tithes and our offerings. Here are flexible ways you can contribute during this time: <https://www.mdchurch.us/giving>

## SERMON DISCUSSION QUESTIONS

1. What was one or two things that really jumped out to you?
2. Remember a recurring dream you have had. Did you obsess about what the dream meant? Why? How might that make you sympathetic to Nebuchadnezzar's situation? In what ways might your own obsessing about your dreams meaning signal a longing for divine wisdom?
3. Have you been tempted to believe that the contemporary idols of our culture represent true wisdom for life? How have you seen it play out in your life? How does Daniel serve to overturn that temptation?
4. In what ways does this chapter of Daniel offer hope? Make a list of these and consider how you might live more faithfully today as a result.
5. In light of this morning's sermon and all your discussions, what practical steps do you need to be taking to be displaying Christ personally, as a family, as a missional community, and with the ministries of the church to your neighbors?
