We are excited to read through the book of Isaiah as a church family. To help you get the most out of this series, we are providing two reading plan options.

The first option will take you through the entire book of Isaiah during our 30-day series. This plan will provide different readings each day, Monday through Friday.

The second reading plan is a condensed version containing only readings you will use during your Discipleship Group discussions and contains only one reading per week. Please feel free to use both as we dive into God's Word together.
