Salvation To America's Teens

April-May

Salvation is found in no one else, for there is no other name under heaven given to men by which we must be saved. Acts 4:12

We Need Your Help!!!

For the past 30 years, Karen and I have been serving the Lord here at Midland Ministries. I have always tried to lead our team to be an example of faithfulness. We strive to reach young people with the Gospel. We do this by several different methods. We have weekly evangelistic and discipleship events here at the Midland Center. We have monthly Main Events that involve working together with churches to produce a quality event that will entice young people to the Gospel message. Our Bible Quiz program helps young people to fall in love with God's Word and helps them to memorize entire books of the Bible. This is spiritual fruit that cannot be measured. Last but not least, our Christian camp and conference center offers some of the best camp experiences in the country. It is also used for conferences and retreats that help build up the local church.

All these events cost money. Some of the funds to run these programs are given by registrations or fees. However, we try to keep the price as low as possible so more young people can attend. That means that the majority of the funds needed come from God's people. People like you, who believe in what we are doing with young people and want to invest in their lives through Midland Ministries.

The majority of the funds needed are funneled through three different accounts:

- 1) The Midland Center. This is our ministry headquarters. It holds the business offices and our auditorium where most of our events happen. It also has the Hyde-ing place youth center in the basement. I just found out that we lost one of our supporters for this fund. He was a local business man that passed away. He gave \$500 a month, which accounts for over 1/3 of our needs. We cannot just let this go on. We must replace this giving immediately. Would you please pray and ask God what you could give to support the Midland Center.
- 2) The second is our General funds. These funds deal with the overall outreach of young people. They allow us to put on events, offer programs that will minister to them, and take care of operating expenses for the ministry. Right now we are receiving \$1000 for the general fund. We stretch the funds as far as possible, but it is still not enough to meet our needs.
- 3) Finally is our camp and conference center. With the summer camp registrations we hope to fund the monthly needs through the entire year. However, that does not allow for any improvements to the camp. Our monthly donations are \$200 but our monthly expenses are \$2500. We need more people to give to the camp program.

There are several ways you can give. You can send a check. You can set up with your bank to have Midland Ministries as an E-pay each month. You can go to www.givetomidland.com and give monthly by credit card or have it taken directly out of you checking or savings.

Many of you either grew up in this ministry or your children did. Would you please pray and ask the Lord how you can meet our needs. We have such a great desire to reach young people, but we need your help.

*Serving Faithfully,
Jon Henderson*

From our Hearts

There seems to be turmoil all around us. The political environment is so filled with confusion and strife. The world is living in fear of viruses and death. The stock market is up and down so much that we cannot make sense of it. However, we know that God is in control. He has the answers to our problems and he can conquer our fears. II Timothy 1:7 tells us that God has not given us a spirit of fear but of love and power and a sound mind. If you are struggling with either spiritual or emotional fears, they are not from God. Proverbs 3:5-6 tells us to trust in the Lord with all your heart and lean not on your own understanding but in all your ways acknowledge Him and He will direct your paths. Remember Jesus is the answer for everything.

Send Youth To Camp

Over the years we have done some incredible things in order to get young people to hear the gospel. We have had some dynamic youth rallies. Each week we endeavor to provide a quality program that will draw unsaved young people as well as an environment for Christians to have fun and draw into a deeper relationship with Christ. Our Bible Quiz program gives young people a greater desire for God's Word.

However, over the years, we have found that summer camp has the most impact. For two reasons. One is we have all three elements that I just described in one week. We have dynamic rallies. A place where young people can find Christ. A fun atmosphere where Christians can grow and a strong Bible quiz program.

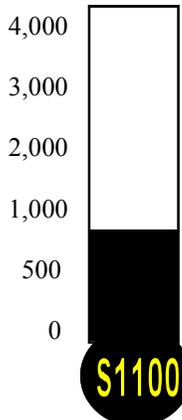

The second reason camp is so successful, is that it allows them to experience all this without the influence of the World. No phones, internet, TV, or secular music. Simply time with Christ.

However, for many the problem is they simply cannot afford to come. We have a Scholarship program that will help a young person come. Would you invest \$170 for a teenager to come to Camp? Maybe you can't pay for one child but could give a smaller amount. Anything would help. Your gift could make the difference in a child's life for all eternity.

We Need Camp Counselors

From our camp counselor Director ... Jessica Schrock

One of the greatest experiences a Christian adult can have is to be a counselor at camp. This experience changed my life in 1997 when I was at camp. God called me into full time ministry. My life has not been the same since. Midland Ministries began our summer camp program in 1989 with 26 teenagers. God has blessed our efforts through the years, but it would never have been possible without the dedicated help from Christian adults who were willing to give up a week of their time to counsel with a group of students. *"And the things you have heard me say in the presence of many witnesses entrust to reliable men who will also be qualified to teach others."* 2 Timothy 2:2 As a Christian adult our greatest desire should be to "pass it on". As a counselor at our camp you will have ample opportunity to "pass it on" to students that, will in turn, change their world for Christ.

*Thank you for reading about MIDLAND MINISTRIES
through our STAT & TIME Newsletter*

We hope and pray that after spending a little time with us, you will discover **Jon Henderson** what God is doing in and through this ministry and you will want to help us serve God. In the days gone by we have seen countless lives changed for the glory of the Lord. We praise God for these wonderful victories!

However, we are now living in one of the most challenging times in the history of our world. Young people are facing new and more difficult problems than we have ever seen. Jeremiah 29:11 tells us ... "For I know the plans I have for you," declares the Lord, "plans to prosper you, and not to harm you, plans to give you hope and a future." Our young people need hope and a future. Only Jesus Christ can offer them the kind of hope and future they desperately need.

If Jesus chooses to tarry, our work is cut out for us. Perhaps God is speaking to you about getting into the battle. Do not delay! Join today! Young lives depend on your involvement.

Catch the vision! Proverbs 29:18. Then I would ask you to consider the following ...

- ◆ **PRAY**. We need people to pray for the ongoing work and that God will bless our efforts.
- ◆ **GIVE**. We need people to give in many ways. Give of your time as a volunteer, give of yourself by telling others about our work, give of your finances to help meet our ongoing needs in this ministry.
- ◆ **GO**. We need people to serve the Lord in a full-time capacity. Give us a call so we could talk to you about the possibilities. They are endless! Are you up to the challenge?
