

Experience and Reality | Genesis 15

October 24, 2021

Please share an experience of an event, place or opportunity that was not as good as it was hyped up to be.

Read Genesis 15.

Who are the main characters in this passage?

What were the events that happened previously to Abram?

Why would Abram doubt what God has promised in the future?

How did God confirm his promises?

Application

What are we assured of in these passages?

What promises does God have for us in the future?

How does this sustain you in the present circumstances?

How can you use these promises to encourage other Christians?

How can we use these promises in witnessing to unbelievers?

Prayer

Ask God to help you to continue to trust his promises and to be a witness for Him.

List people you want to be saved whom you can pray for and witness to.
