

Overcoming Power and Deception | Revelation 13 – 14:5

November 14, 2021

What are examples of opposition that Christians face in today's world?

Word

Read Revelation 13 – 14:5.

What are two ways that Christians experience opposition in this passage?

Satan declares war on Christians. Who are his two ministers of war from this passage?

What are the tools the first beast uses?

What are the tools the second beast uses?

Application

Will it be possible for a Christian to accidentally get the mark of the beast?

What should we be willing to do to resist the power of the first beast?

How can we prevent ourselves from being deceived by the second beast?

How do we know we are secure in Christ?

Prayer

Ask God to help you face persecution with a song of worship to the Lord.

Ask God through the Holy Spirit to help you to study the Bible so you can see through deception.

Pray for unbelievers whom you know so they will be saved by faith and not be deceived.
