

The Nations Raged | Revelation 8:6 -11:19

October 10, 2021

How does the response of the nations to the plagues in Revelation 9:20-21 compare with Pharaoh's response to the plagues of Moses?

Read Revelation 11 and observe the references to the temple of God. Who is on the outside of the temple? Who is in the temple?

According to the message, who are the two witnesses in Revelation 11?

What was God's response to the martyrdom of the two witnesses?

Application

What are we assured of in these passages?

What can we expect in the future?

What should we keep doing?

Whom is our trust and hope in?

Prayer

Ask God to help you to continue to be a witness for Him.

List people you want to be saved whom you can pray for and witness to.
