The Word: Revelation 12:1-11

Read Revelation 12:1-11

What historical events are John writing about?

What is John revealing about history?

Who is the accuser of the saints?

Who is our battle with according to Ephesians 6:12? How is this battle fought?

Application:

How do we overcome the accuser's accusations?

What should our purpose be as Christians? Read John 12:24-26

How do we live out this purpose? How did Moses Hall live out this purpose?

Our prayers:

What are you battling spiritually and how can others pray for you?

Pray about events happening locally, nationally and globally for God's will to be done.
