*"Train up a child in the way he should go; even when he is old, he will not depart from it." Proverbs 22:6*

Educating children for this life and for eternity

*Member of the Association of Christian Schools International*

Hello MACS Community,

As we begin to move into 2021, MACS is preparing for next school year. We want to thank you for choosing MACS for your child during this unprecedented school year and trusting our staff to keep your child safe and help them grow. We would also like to invite you to enroll your child next year for the 2021-2022 school year. Starting **Monday, March 1st** applications for next school year will be available for you to pick up and return to register your child for both our preschool and elementary programs. As an incentive to have applications returned in a timely manner to help us plan and budget for next school year, we will be offering a discount on our Registration Fee for those who return their application by Friday, March 26th.

For our elementary families, the Ohio EdChoice program is now open as well and you are able to submit your application. On our website, [minervafcc.com/edchoice-scholarship-information](http://minervafcc.com/edchoice-scholarship-information) you are able to download all documents needed to complete your application. Moreover, there is information about what families may be eligible for full or partial scholarships. Over the last few years, Ohio has expanded who may be eligible for the Edchoice program. If you have any questions about the process, please feel free to contact our office.

Next year, we will continue to enroll students from age three through 6th Grade in our Christ-centered environment. Furthermore, we will not be increasing tuition for next school year thanks to the continued support of Minerva First Christian Church. We hope that you will continue to see the benefits of our program for your child and you feel that we are doing our best to fulfill the mission of the school to educate children for this life and eternity. We also encourage you to spread the word about MACS and invite your friends, co-workers, and family to our March 4th Open House or to call our school to learn more information. We are blessed to have your support and we thank you for continuing to be a part of MACS.

If you have any questions about the application or information for next school year, please feel free to contact our office at 330.868.5728. Once again, thank you for your prayers and amazing support of the ministry of Minerva Area Christian School.

God bless,

Chris Stoffer  
MACS Administrator
