

# WE HAVE “REOPENED” ACCORDING TO CDC GUIDELINES

## A Message From Your Elders:

First, we admit this isn't easy! It isn't easy to satisfy everyone with the instructions we're asking you to follow! But, we want to make every effort to follow the CDC guidelines as well as those from our local and state officials. Our highest calling is to honor God in the way we respond to each other: *“Show family affection to one another with brotherly love. Outdo one another in showing honor.”* Romans 12:10

## HOW TO PREPARE:

- We are having 9:30 am Adult Sunday School in the auditorium with proper spacing of chairs. Sunday School for children is being offered-with guidelines observed. Nursery is provided during Sunday School hour only-also with guidelines observed.
- We are having 10:40 am worship service in the auditorium with proper spacing of chairs and protocol guidelines observed. No Nursery or Children's Church during this hour.
- We're asking everyone to seriously consider wearing a mask. If you don't have one, some will be available @ the Welcome Desk (This is a reasonable request to reduce the spread of the virus)

## WHEN YOU ARRIVE:
