

Vincent and Mary Taniform

Bambali, North West Province, Cameroon, Africa

ITENERARY FROM 28TH APRIL – 10TH MAY 2021.

After acquiring basic education on how to get protection against covid-19, we are now more confident to travel and to visit than before. Here below is a 2 weeks journey that will take Mary and I through 5 different regions of Cameroon to meet some key labourers, leaders, and teams in some cases, in their respective ministry platforms.

The objectives for these meetings will vary depending on the individuals. But one big thing that we intend to accomplish is to help these labourers and leaders have a clearer perspective on how training and development in the next ten years that reflects the faith goals will look like. The table below presents our itinerary for the 2 weeks. It also presents a total budget of **235,000frs** that we need in order to make this trip possible. We are by this also asking for your financial support.

Prayer points.

1. I will be driving all along. Please pray for safety and alertness as I drive on the highway.
2. We will be listening more and interact more on the thoughts that we gather from the labourers. Pray that God will give us good listening. That when we listen, we should be able to hear both what is said and what is not said.
3. Pray that the contributions we will make will be able to encourage the hearts of our labourers and help them to be more fruitful in what God is already doing in and through their lives.
4. Pray that we should always be reminded of, and be able to implement all the barrier measures against covid 19 wherever we visit.
