SPOTLIGHT FOR MARCH 2021

We are done from the drawing room as far as the faith direction and its implementation in Cameroon is concerned and now, we are unto the action phase.

Our first action is to call an enlarged equippers team retreat to hold in our residence in Bambili, Bamenda from Thursday 1st to Tuesday 6th of April 2021.

The target group is the growing leaders and their key guys from their different target ministries. We are expecting about 50 people to attend.

Key issues to handle will include among others the following;

The implementation of the faith goals in our different ministry contexts.

What will training and developing that will ensure the emergence of leaders with depth that will take the Gospel of Jesus into the different contexts of Cameroon, and beyond, look like?

And consequently, what will an accompanying training package for the next 5 years look like?

Strategies for raising funds for our local and national ministries as well as for eventual global partnership.

The total budget for the retreat is 500,000FCFA about (\$1000 US) and we are trusting God that a good percentage of this amount shall be contributed by the participants.

Some prayer points:

The retreat will hold in Bambili, Bamenda which is still unstable due to the Anglophone conflict. So please pray for safety.

I am still reviewing our training package. Pray for wisdom and knowledge.

The retreat will last for about one week. So, pray that those needing permission from their work places be granted and that everyone who is invited should be able to block out time.

Pray for a healthy fellowship during this time.

Pray for financial provision.

KEY VERSE: ISAIAH 49:6

He says:

**“It is too small a thing for you to be my servant
to restore the tribes of Jacob
and bring back those of Israel I have kept.
I will also make you a light for the Gentiles,
that my salvation may reach to the ends of the earth.”**
