May 7, 2018

Dear Praying Friends,

Spring has finally come to Minnesota and we are enjoying the warmer weather and sunshine. Let me start with an announcement. Jameson Lucas Cree (our second grandchild) came into this world March 31st, just after 7:00 AM. He was 8 pounds and 12 ounces and tall enough that I've already talked to his dad about starting either ball handling drills (basketball) or his first set of golf clubs. Annalina has enjoyed being a big sister and has even been trying to read books to him.

Now on to the less exciting news, that is less exciting when compared to the arrival of a grandchild. If you keep track of these things, the trip for the Medical STAR Team is getting much closer. In fact we leave June 23rd. Most of the team will return July 1st, but Sandi and I, along with Steve and Terri Best (the president of BBI and his wife) will go to Roatan for a few days. Steve and Terri want to get a little history of the radio station and we will be their tour guides. Of course Sandi and I are hoping to see as many of our friends as possible, and I am hoping to be able to spend some time with "my boys" who accepted Christ last year when I was on the island.

With the STAR Team trips coming up in June and July, we would love to have some of you join us on one of the teams. (If you are interested, please contact us via email) However, we also know that even though many people pray for STAR Teams, not everyone is able to go with one of the teams. So, just for those of you who fall into that category, we have developed the STAR Team Sponsorship.

This is for people who would like to help STAR Teams in a tangible way, and there are several ways to be a sponsor. You could make monthly contributions or a one time contribution (either one at the amount of your choosing). We bring Spanish New Testaments to Honduras for those who receive Christ. Providing money to help buy a case of Bibles would be a big help. We also bring medicine which we are able to buy at a deeply discounted rate. That would be another area where you could be a sponsor.

Sandi and I made a video to spell out these opportunities, you can watch it by clicking this link:

www.theroatanexpress.blogspot.com. If this is something that resonates with you, please contact us at petersilseth@gmail.com and we can give you more information, or contact Bible Basics International at 813-920-2264 or email startteams@biblebasics.org.

The Roatan Express

The impact of short term missions trips is really two fold. The team obviously has the opportunity to

impact the people to whom they minister.

Here are some prayer requests for the June Medical STAR Team. Please pray that we will have the medical personnel and the counselors we will need on this trip (the more medical people and the more counselors we have the more people we can treat medically and spiritually). Also pray for the team members that they would be spiritually prepared, and for those to whom we will minister that their hearts would be ready to hear the gospel. Please pray also that there will be many people who will become STAR Team Sponsors. I would also challenge you to pray the following: "God do you want me to go on a STAR Team?" Or, "God do you want me to be a STAR Team Sponsor?"

Thanks for your prayers, we are expecting God to do great things this summer.

In Christ,
The Silseths
