

***When Sinners Say "I Do": Discovering the Power of the Gospel for Marriage - Dave Harvey***

*When Sinners Say "I Do"* is a wonderfully honest and practical book about applying the gospel in the marriage relationship, and by extended application, in all relationships. This is not a book intended only for newlyweds or for those experiencing acute problems in marriage, but for all sinners who desire to see gospel application bear fruit in their closest relationships. From the author's preface: "If you are married, or soon to be married, you are discovering that your marriage is not a romance novel. Marriage is the union of two people who arrive toting the luggage of life. And that luggage always contains sin. Often it gets opened right there on the honeymoon, sometimes it waits for the week after. But the suitcases are always there, sometimes tripping their owners, sometimes popping open unexpectedly and disgorging forgotten contents. We must not ignore our sin, because it is the very context where the gospel shines brightest."
