

I started reading the whole Bible again for 6 months and took Kesaven on board. It's really exciting to read and re-read the scriptures. We always learn more each time. It's also very encouraging for Kesaven to grow in his faith.

Blessed be the God and Father of our Lord Jesus Christ, who according to His abundant mercy has begotten us again to a living hope through the resurrection of Jesus Christ from the dead, to an inheritance incorruptible and undefiled and that does not fade away, reserved in heaven for you, who are kept by the power of God through faith for salvation ready to be revealed in the last time.

We also received the visit from France, Bradley and Olivia. They are two youngs from Paris, Bradley. Thirteen years ago, I was Bradley room monitor in the summer camp in France, we were very happy to see him grow up not only in size but spiritually. All the church and us were so bless

to have them with us.

This is summer holidays here, this means that all kids are at home. It is the time for cleaning, helping others, having fun and serve. Stephanie and all the kids seized the opportunity to help Marie-Therese with the cleaning of her yard and her house.

This is a good experience for the kids to show their love to her by helping get her house neat and clean. This also bring joy to Marie Therese.

Summer Kid's holiday is a time to encourage many people individually, by a dinner, a visit, etc. We have another sister that need so much encouragement and together with his son. We stay with her for a night, and it was a real encouragement for her to be able to have guests at her place. By the grace of our Lord, we were able to bring joy, encouragement and hope into both lives. Stephanie with her association in our village, invited some kids from the neighborhood to share some activities and lunch. It was a real success to get in touch with people living in our village.

We rejoice for our brother Cedric who was promoted and got the chance to work for 6 months in France. But it is also hard to know that he won't be with us. The whole church will be missing him.

We also have the pleasure to have Meline the little daughter of Paul and Carlene at our place. The kids enjoyed this time with her, specially the girls.

The whole church met at Port-Louis Church of Christ for the end of year celebration, together. This was a good experience and a time for sharing love to our brothers and sisters there.

Our home church most time ended with lunch agape, and it is always a pleasure to see many new comers helping in the kitchen. But this time I saw the 2 youngest person of our church washing 39 plates, 39 folks & 39 cup. Is that not wonderful! Praise God.

Exciting & blessing thing happen to our family. I always dream of not being on the shoulder of my kids for baptism. After one usual weekly study my oldest son Elie, the next day start a full day fasting and when I asked him what for, he reply: to see more clearly for his baptism. Is that not great? Praise God. Please hold Elie in your prayers.

We thank you in all your support and prayers and encouragement! May our gracious God shower each one of you in the way that He knows that is best for you! **HAPPY NEW YEAR 2020.** May God our

Father shower you with all His blessings. May you all be fill with the Spirit of God.
