

The Trellis Project

bringing God glory. making disciples. sharing God's love.

Question Two

Why does NCC need a Discipleship Pastor?

NCC has grown significantly over the past 12 months. This growth, while a tremendous blessing, places greater challenges on our staff. All of us - as pastors, elders, and staff - feel the urgency of maintaining our level of pastoral care to those who have been part of NCC for a long time, even as we seek to ramp up our efforts to engage our new church family into the mainstream of our body life.
